

## **Are you on the SAFE LIST?**

In the very near future, the sadistic leaders of a sinister secret society are turning its members into flesh-eating zombies ready to carry out horrific methods of “population control.” They are the men and women of R.E.E.P.E.R., and it will take the Chicago PD’s finest to hunt them down before their city is eaten alive—literally..

## **Remove Every Evil Person or Entity Reserve**

The R.E.E.P.E.R. Men have put all citizens on either the SAFE LIST or the EXPUNGE LIST. Which list you’re on is up to this maniac organization and their Laws of R.E.E.P.E.R. With their identical suits, horrifying red skull masks, and lust for blood, they’re a danger to everyone they deem worthy of being expunged.

## **R.E.E.P.E.R. Men**

Unleashing in comic book and video at the end of February, this highly anticipated, Kickstarter-funded new franchise starts 2015 off with a thriller sure to captivate superhero, horror, and mystery enthusiasts.

Let's hope you're on the SAFE LIST, so that your days on Earth... may be SAFE!
